

My Chiropractic Success Story...

Symptoms Before Treatment:

Medications I was on:

• I was experiencing migraines 3-4 times a week on average but just prior to treatment it was daily

• Fioricet

Improvements in My Life:

Why I would recommend Select-Care Chiropractic, P.C.:

• I now haven't experienced a migraine in about 2 months and only twice in the past 7 months

- The quality of life change is significant
- The doctors and staff are extremely friendly
- It was worth it to eliminate the pain

I give Select-Care Chiropractic, P.C. rights to share my Chiropractic Success Story with others.
