

My Chiropractic Success Story...

Symptoms Before Treatment:

Medications I was on:

- Ear, neck and jaw problems
- Lower back problems
- Tight muscles and achy and stiff

Improvements in My Life:

Why I would recommend Select-Care Chiropractic, P.C.:

- Jaw and ear are better
- Less body aching
- More energy

- Because they are helping me!!

I give Select-Care Chiropractic, P.C. rights to share my Chiropractic Success Story with others.
Only first names will be used.
