

My Chiropractic Success Story...

Symptoms Before Treatment:

Medications I was on:

• Burning and tingling in base of neck– ran down arm at times

• Very stiff and compressed– chronic migraines

• Heartburn

• Skelaxin

• Ibuprofen

• Tylenol

• Fioricet

Improvements in My Life:

• Significantly less migraines and heartburn

• Neck feels great

Why I would recommend Select-Care Chiropractic, P.C.:

• Almost pain free– can do regular activities without stiffness and soreness

• Total body wellness program

I give Select-Care Chiropractic, P.C. rights to share my Chiropractic Success Story with others.
Only first names will be used.
